

## Annual Report 2013-2014

**Date of Report:** September 9, 2014

**Executive Position:** Chair

**Committee Name:** Professional Practice Committee

**Committee Members:** Linda Irwin, Rita Parmar, Shelley Wong, Laurie Kenward, Danielle Renaud, Marthalina Priam, Joyce Taki

### Summary of Activities:

This year the Professional Practice Committee continued to provide a vital professional practice link between the HRABC Executive, the various HRABC Committees and the Membership at large. During this past year, this committee worked hard to provide the membership with following three teleconferences.

- (1) Snomed CT
- (2) Electronic Admission Screens
- (3) NACRS -National Ambulatory Care Reporting System

The teleconferences were very well received. However there were a couple of challenges. One of the challenges is finding topics applicable to the membership and finding speakers who are comfortable with the teleconference setting. It is also a challenge to set up the teleconferences and test that all sites have access as required.

In this regard a special thanks goes to Linda Lee and Rita Parmar for assisting with the set up of the teleconferences and trouble shooting issues.

I would also like to thank my committee members for their hard work, and especially for sending out certificates to participants of the teleconferences Thanks also to Laurie Kenward, for handling all the registration work.

The committee is composed of a wonderful group of people who volunteer their time towards providing educational opportunities and CPE credit opportunities to the HRABC.

At this time, I would like to sincerely thank my committee members, again, for their hard work.

Thank you team for another successful year!

Respectfully submitted,

Linda Irwin  
Chair, Professional Practice Committee
